

Researching your Medicare plan options

When looking for the best plan for you, you'll want to consider what benefits, costs and extras are important to your needs. Use this worksheet to help you.

1

Important features

Bundled Medicare Part D coverage

- I want a Medicare Advantage plan with bundled outpatient prescription drug coverage
- I want a Medicare Advantage plan with medical coverage only because I already have prescription drug coverage through Veteran's Affairs or elsewhere

Benefits and features

- \$0 monthly plan premium*
- Preventive dental coverage
- Vision and eyewear coverage
- Hearing exam and hearing aid coverage
- Fitness membership
- No cost annual physical exam

2

Doctor network

Next, let's check to see if the doctors, clinics and hospitals you typically visit are covered in the plan.

Primary care physician (name, location):

2

Doctor network continued

Specialists (type, name, location):

Horizontal lines for entering specialist information.

Preferred hospital (name, location):

Horizontal line for entering preferred hospital information.

3

Services you use

Frequent types of care and copays (example: physical therapy, etc.)

Multiple horizontal lines for entering service and copay information.

4

Prescription drugs

NAME	DOSAGE	COPAYS
------	--------	--------

Horizontal lines for entering prescription drug details.
