FOR IMMEDIATE RELEASE: Sept. 8, 2020

DRIVE-THROUGH FLU SHOT clinic NEWS and PHOTO OP

**Public flu shots offered Sept. 25 – 27, 9 am – 3 pm,
at the Minnesota State Fair grounds**

**UCare, Hennepin Healthcare and Health Fair 11 urge Minnesotans
to get vaccinated to avoid a “twindemic”**

WHAT: [Flu Fighter Clinics](#) located on the grounds of the [Minnesota State Fair](#).

WHY: Medical experts from the [National Institute of Health](#), the [Centers for Disease Control and Prevention](#), the [Minnesota Department of Health](#), [UCare](#) and [Hennepin Healthcare](#) agree: Our country is facing a potential medical “twindemic” this fall. The co-occurrence of COVID-19 and influenza outbreaks is a recipe for a public health disaster. Bottom line – it’s more important than ever to get protected from the flu.

In response, Health Fair 11 is coordinating three days of public Flu Fighter Clinics at a convenient location this fall. Nurses with Hennepin Healthcare will administer flu shots on a first-come, first-served basis. The clinics will use a drive-through format to ensure social distancing.

Influenza and COVID-19 share many of the same early symptoms – coughs, fever and body aches. As people get ill this fall, health care professionals will be asking if patients have received a seasonal flu shot. The patient’s answer will help clinicians assess and diagnose patients more effectively, and manage limited quantities of COVID-19 tests more responsibly.

WHERE: [Snelling Avenue/Gate 5 on the MN State Fairgrounds](#).

WHEN: **Friday – Sunday, September 25 – 27, 9 am – 3 pm**
Gate 5 opens at 8:45 am

DETAILS:

- Flu shots will be given on a first come, first served basis with 1,000 vaccinations available each day.
- Flu shots will be administered by nurses with Hennepin Healthcare's Worksite Wellness program.
- Nurses will vaccinate ages 6 months and older.
- Two types of flu shots are available: Quadrivalent vaccine for people between 6 months-64 years and High Dose vaccine for people age 65 and older. ([Vaccine Information Statement](#)) FluMist® nasal spray is NOT offered.
- **People should bring their insurance cards.** They will need information printed on their insurance card for completing paperwork. Flu shots will be billed to their insurance. People who prefer to pay cash should bring exact change: \$39 Quadrivalent / \$70 High Dose.
- Special programs are available for people without insurance.
- Attendees must stay inside their cars. People will not be allowed to walk around the fairgrounds.
- Face masks are required for all people over age 5.
- No public restrooms are available.
- People arriving via public transportation will be vaccinated in a walk-up tent located just inside the Snelling Avenue/Gate 5 entrance. ([map](#))
