

2024 Authorization and Notification Requirements

Authorization and Notification Requirements

Aspirus Health Plan requires that providers obtain prior authorization/notification for the services addressed below. This list contains prior authorization (PA) and notification requirements for inpatient and outpatient services, as referenced in the Aspirus Health Plan Provider Manual. PA does not guarantee payment. To provide PA or notification, complete the appropriate request form with supporting clinical documentation as appropriate and submit by fax or e-mail to Aspirus Health Plan according to the return information noted on each form.

Upcoming changes to PA requirements can be found in the quarterly Provider Newsletters published at [Aspirus Health Plan's provider website](#). The CPT/HCPCS codes listed are included for informational purposes only and are subject to change without notice. Inclusion or exclusion of a code does not constitute or imply member coverage or provider reimbursement.

Important Information

- Allow up to 14 calendar days for a non-urgent authorization decision.
- All services are subject to member eligibility and benefit coverage.
- For services that require authorization, failing to obtain the authorization in advance may result in a denied claim.
- If you are not able to obtain services in your network, you may submit a prior authorization request prior to services.
- Aspirus Health Plan reserves the right to review and verify medical necessity for all services.
- Inclusion or exclusion of a code listed does not constitute or imply member coverage or provider reimbursement.
- Providers may request a copy of the criteria used to make a medical necessity determination on [Aspirus Health Plan's provider website](#).
- Provider of Service qualifications, eligibility and licensure requirements must be met to provide services and submit claims to Aspirus Health Plan.
- Contact the Provider Assistance Center (PAC) at 715.631.7412 or 1.855.931.4851 toll-free, Monday through Friday, 8 am – 5pm, for information on eligibility, benefits, and network status.
