

MTM/TOC Pharmacy Contact List for External Partners

If a member is interested or Care Coordinators/Case Managers feel a comprehensive medication review would be beneficial for a member, health systems and/or community pharmacies will need to be reached out to directly. The phone numbers provided below can be used to assist a member with scheduling a comprehensive medication review with one of their pharmacists. Reminder, if a member has Medicare Part D coverage, the member will need to determine benefits for these services with the Part D health plan provider.
