Cervical cancer screening

Complete your screening and earn a \$30 reward

Early detection matters. Regular screening is the best way to find cervical cancer in its early stages. If found early, cervical cancer is one of the most treatable cancers. Talk to your doctor about what screenings are right for you.

Recommended screenings:

- Pap test: Every three years for ages 21 – 30
- Pap and HPV test: Every five years beginning at age 30

Minnesota Department of Human Services (DHS)

You have the right to file a complaint with DHS if you believe you have been discriminated against in our health care programs because of any of the following:

- race
- color
- national origin
- religion (in some cases)
- age
- disability (including physical or mental impairment)
- sex (including sex stereotypes and gender identity)

Complaints must be in writing and filed within 180 days of the date you discovered the alleged discrimination. The complaint must contain your name and address and describe the discrimination you are complaining about. We will review it and notify you in writing about whether we have authority to investigate. If we do, we will investigate the complaint.

DHS will notify you in writing of the investigation's outcome. You have the right to appeal if you disagree with the decision. To appeal, you must send a written request to have DHS review the investigation outcome. Be brief and state why you disagree with the decision. Include additional information you think is important.

If you file a complaint in this way, the people who work for the agency named in the complaint cannot retaliate against you. This means they cannot punish you in any way for filing a complaint. Filing a complaint in this way does not stop you from seeking out other legal or administrative actions.
