

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.ucare.org/BenefitDocuments](http://www.ucare.org/BenefitDocuments) or call 1-877-903-0070 (this call is free) or TTY/Hearing Impaired: 1-800-688-2534 (this call is free). | Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| <b>What is the overall <a href="#">deductible</a>?</b>                                | In-network: \$4,250/Individual; \$8,500/Family.<br>Non-network: \$20,000/Individual;<br>\$40,000/Family.   | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the plan, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| <b>Are there services covered before you meet your <a href="#">deductible</a>?</b>    | Yes. <a href="#">Preventive services</a> , office visits and some <a href="#">formulary</a> drugs. Limitations apply. Copayments don't apply to deductible.  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . Refer to the list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .   |
| <b>Are there other <a href="#">deductibles</a> for specific services?</b>             | No.  | You don't have to meet <a href="#">deductibles</a> for specific services.  |
| <b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b> | \$9,600/Individual; \$19,200/Family. No <a href="#">out-of-pocket limit</a> for non-network services.  | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.  |
| <b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>               | Premiums, most non-network services, balance billing charges (unless balance billing is prohibited), and health care services this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |
| <b>Will you pay less if you use a <a href="#">network provider</a>?</b>               | Yes. Refer to <a href="http://ucare.org/ifp-directory">ucare.org/ifp-directory</a> or call 1-877-903-0070 (this call is free) or TTY: 1-800-688-2534 (this call is free) for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| <b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>    | No.  | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .   |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
