You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at:

This list includes all providers within 60 miles of our service area. You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.

Substance Use Disorder providers may have a specific Area of Service they offer. We show this in our listings with text as “Child, Adolescent, and/or Adult;” if unknown: blank.

Substance Use Disorder providers may have specific Types of Service that they treat. We show this in our listings with bold text as “Types of Services: Comprehensive Assessment, Peer Recovery, Residential Treatment/Inpatient Treatment, Outpatient Treatment, Withdrawal Management, Medication Management, Treatment Coordination, Medication-Assisted Treatment (MAT) or Medications of Opioid Use Disorder (MOUD) friendly facility (Methadone), etc.,” if unknown, blank.

You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling Customer Service at the numbers listed on the front cover.

The Visiting Clinic Team provides primary health care services in the residential care setting which includes assisted living, skilled nursing facilities and group homes. Services include, for example, preventive care; medication management; evaluation, diagnosis, and treatment; and chronic disease management. Visiting Clinic Teams may refer patients to specialty and other health care providers in the network when such services are not available at the members' residences. Please contact the specific Visiting Clinic Team to determine if they provide services at your residential care site before choosing this provider as your primary care clinic.
