UCare's MSHO uses the DHS Open Network for some long-term services and supports. For a list of Elderly Waiver services and providers available for Direct Delivery Services and Purchased Items services, refer to the Minnesota Help Info website at www.minnesotahelp.info/public/.

D. Background Information about UCare's MSHO's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** UCare's MSHO and have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside the area in which you live. You may also fill your prescriptions at these pharmacies. Please contact UCare's MSHO at the number at the bottom of this page.

UCare's MSHO members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service.
- Read the UCare's Minnesota Senior Health Options *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about UCare's MSHO network pharmacies in your area, please visit our website at ucare.org/searchnetwork or call Customer Service at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and UCare's

MSHO *List of Covered Drugs*. You can find the latest *List of Covered Drugs* on our website at ucare.org/dsnp-druglist.

D1. Types of pharmacies in UCare's MSHO network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies serve Native Americans and Alaska Natives and others under limited circumstances.

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs.

? If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit ucare.org.**

E. UCare's MSHO List of Network Pharmacies

This part of the Directory includes a list of UCare's MSHO network pharmacies that **participate in and accept** UCare's MSHO.

To find network pharmacies, go to the Table of Contents. You can search according to the type of pharmacy you need: Retail Pharmacies, Mail Order Pharmacies, Home Infusion Pharmacies, etc. Pharmacies are listed alphabetically by state, county and city.

You can also use the online search network tool at ucare.org/searchnetwork.

- At the top of the page, select Pharmacies.
- Select your plan
- Enter the name, if you are looking for a specific pharmacy or location. Enter just the first few letters if you are unsure of the spelling.
- Enter your location
- Select Search

If you have questions about UCare's MSHO or need help, please call Customer Service at the number at the bottom of this page.

? If you have questions, please call UCare's Minnesota Senior Health Options (MSHO) (HMO D-SNP) Customer Service at 612-676-6868 or 1-866-280-7202 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. You can get prescription drugs shipped to your home through our network mail-order delivery program.

We will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

Typically, you should expect to get your prescription drugs within 14 days from the time that the mail-order pharmacy receives the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at:
