American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to go to your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

Important Information

Care Coordination (for MSC+ members)

UCare serves MSC+ members who live in the community or in a nursing facility. When you enroll in the MSC+ program, you will be encouraged to choose a primary care clinic. If you would like help selecting a primary care clinic, contact Customer Service at **612-676-3200 or 1-800-203-7225 (this call is free)**. Hours of service are 8 am – 5 pm, Monday – Friday. To find out which primary care clinic you've been assigned to, you can call Customer Service at the numbers shown above. After you enroll, you will be assigned a UCare care coordinator, who will contact you to schedule an initial health risk assessment.

If you are getting home and community-based services through the Elderly Waiver at the time you enroll, you will get these services through your UCare care coordinator. If you reside in the community and are not getting home and community-based services through the Elderly Waiver at the time of enrollment, your first screening will include an assessment of your need for these services. If you are assessed as eligible for home and community-based services under the Elderly Waiver, your care coordinator will work with you to get these services. UCare provides annual health risk assessments for all members in the MSC+ program.

Those who are eligible for Elderly Waiver services will receive help to access services from their care coordinator. Members residing in nursing homes will be assessed annually for their ongoing placement needs.

Your care coordinator will help you understand your benefits. Whether you live in the community, in the hospital, or in a nursing home, you'll have one person to contact who understands and makes it easier for you to receive the services you need. You, your doctors, and others providing your care can work with your care coordinator on your behalf. Whenever you have questions or concerns, or need services, simply call your care coordinator.

You can get more information on care coordination services by calling Customer Service at **612-676-3200 or 1-800-203-7225 (this call is free)**. Hours of service are 8 am – 5 pm, Monday – Friday. Long-Term Services and Supports (LTSS) MSC+ Members

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a UCare member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. LTSS are intended to help you live in the community and are typically provided at your home by Home and Community Based Services providers.

After you enroll, you will be assigned a UCare care coordinator who will work with you to assess your needs and preferences, develop and maintain a care plan, and help coordinate your care and services.

Your care coordinator will help you identify specific LTSS in your care plan that, if you qualify, will help you meet your care goals. Your care coordinator will also help you identify your needs as you transition between levels of care.

If you are getting LTSS when you enroll, you will get these services through your UCare care coordinator. If you reside in the community and are not getting LTSS when you enroll, your first screening will assess your need for these services. If you are eligible, your care coordinator will work with you to get these services.

You must have a Long-Term Care Consultation (LTCC) done and be found eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live. Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move from a qualified institutional setting into the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from Elderly Waiver (EW) services, but you must be eligible for EW. To find out more about these services, refer to your *Member Handbook*. Call Customer Service at the number listed on the front cover to get more information on how to access these services.

- Provides accommodations for people with disabilities

An explanation of these terms is as follows:

ADA Accessibility

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. This includes taking steps to ensure that persons with disabilities have equal access to their goods and services. For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so.

UCare's provider listings include whether an office is ADA compliant by confirming if the provider has 1) accessible offices, 2) accessible equipment and 3) accessible exam rooms.

Our response includes:

YES – The provider is ADA compliant for accessible offices, equipment or exam rooms.

NO – The provider is not ADA compliant.

If the answer is left blank, the information is unknown.

Cultural Capabilities

Cultural capabilities include cultural awareness, cultural safety, and cultural competence offered by health care providers to better adapt and serve members' backgrounds, values, and beliefs to meet their social, cultural, and language needs.

If the answer is left blank, the information is unknown

Accepting New Patients

UCare's provider listings include whether the provider is accepting new patients as of this directory's date.

Our response includes:

YES – The provider is accepting new patients.

NO – The provider is not accepting new patients.

If the answer is left blank, the information is unknown.

This list includes all providers within 30 miles of our service area. You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.
