American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to go to your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

Introduction

At UCare, we make it easy to access the services you need when you need them. This *Provider and Pharmacy Directory* lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors, vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

Please refer to your *Member Handbook* for details about covered services and the services that require authorizations.

UCare uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on ucare.org/searchnetwork or calling the Mental Health & Substance Use Disorder Triage Line at **612-676-6533 or 1-833-276-1185 (this call is free)**. The UCare Dental Connection can help you find a Delta Dental CivicSmiles® provider or dental home; schedule dental appointments, including appointments for follow-up and specialty care; coordinate transportation to dental appointments; coordinate interpreter services for dental appointments; and answer dental benefit and claims questions.

In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room. In other cases, call your primary care doctor’s office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7 Nurse Line at the number on the back of your Member ID card. The UCare 24/7 Nurse Line is answered by nurses 24 hours a day, seven days a week.

You must call UCare’s Customer Service Department at **612-676-3395 or 1-877-903-0061 (this call is free)** within 48 hours, or as soon as you are able, if you are admitted to an out-of-network hospital. If you are hearing impaired, please call our

Upon enrollment, all members have access to a care navigator who can help you access health care services.

You will be offered a health risk assessment (HRA) within 60 days of enrollment and annually thereafter. We review the HRA and other information to identify your needs.

We offer you care coordination services based on your needs and current services. The care coordinator will develop a care plan with you and your interdisciplinary care team.

UCare lists the clinic number for our primary care clinics (PCC). To find the PCC number, refer to the field labeled PCC Number.

UCare's provider listings include names and addresses of providers that are part of our network. You will find the following words in our provider listings to help you determine if this provider:

- Provides accommodations for people with disabilities
- Completed cultural competency training
- Accepts new patients

An explanation of these terms is as follows:

ADA Accessibility

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. This includes taking steps to ensure that persons with disabilities have equal access to their goods and services. For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so.

UCare's provider listings include whether an office is ADA compliant by confirming if the provider has 1) accessible offices, 2) accessible equipment and 3) accessible exam rooms.

Our response includes:

YES – The provider is ADA compliant for accessible offices, equipment or exam rooms.

NO – The provider is not ADA compliant.

If the answer is left blank, the information is unknown.

Cultural Capabilities

Cultural capabilities include cultural awareness, cultural safety, and cultural competence offered by health care providers to better adapt and serve members' backgrounds, values, and beliefs to meet their social, cultural, and language needs.

If the answer is left blank, the information is unknown

Accepting New Patients

UCare's provider listings include whether the provider is accepting new patients as of this directory's date.

Our response includes:

YES – The provider is accepting new patients.

NO – The provider is not accepting new patients.

If the answer is left blank, the information is unknown.

This list includes all providers within 30 miles of our service area. You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.
