Cultural Competency Training:

The Cultural competency training were

instructions for our health care providers and staff to

help them better understand patient's

background, values, and beliefs to adapt services to

meet their social, cultural, and language needs.

Cultural Capabilities/Specialities:

Top Health Center staff and providers

are culturally aware of the different cultures and are

culturally trained to be culturally competent. Every

client and patient at Top Health Center are

individuals with a unique culture and we treat them

as such. Top Health Center staff and providers are

culturally competent to better understand patients'

background, values and beliefs and to meet their

social, cultural, language and community needs.
