### Introduction

---

At UCare, we make it easy to access the services you need when you need them. This *Provider and Pharmacy Directory* lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors, vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously

authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

Please refer to your *Member Handbook* for details about covered services and the services that require authorizations.

UCare uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on [ucare.org/searchnetwork](http://ucare.org/searchnetwork) or calling the Mental

Health & Substance Use Disorder Triage Line at **612-676-6533 or 1-833-276-1185 (this call is free)**. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**. After hours and on weekends, member calls will be answered by the UCare 24/7 Nurse Line.

UCare contracts with DentaQuest to manage your dental benefits. For more information on UCare’s dental services, you can go online to **ucare.org/dental**, or call the UCare Dental Connection at **1-888-227-3310 (this call is free)** from 8 am – 5 pm, Monday – Friday. The UCare Dental Connection can help you find a DentaQuest provider; schedule dental appointments, including appointments for follow-up and specialty care; coordinate transportation to dental appointments; coordinate interpreter services for dental appointments; and answer dental benefit and claims questions.

**In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room.** In other cases, call your primary care doctor’s office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7 Nurse Line at the number on the back of your Member ID card. The UCare 24/7 Nurse Line is answered by nurses 24 hours a day, seven days a week.

You must call UCare’s Customer Service Department at **612-676-3395 or 1-877-903-0061 (this call is free)** within 48 hours, or as soon as you are able, if you are admitted to an out-of-network hospital. If you use a specialty drug, you or your doctor must contact Fairview Specialty Pharmacy at 612-672-5260 or 1-800-595-7140 (this call is free). MinnesotaCare and Minnesota Senior Care Plus who are eligible for Medicare, UCare only covers Medical Assistance (Medicaid)-covered drugs on our formulary not covered by Medicare.

## Important Information

---

### Care Coordination

Upon enrollment, all members are assigned to a care coordinator. Your care coordinator will help you understand your benefits.

Whether you live in the community, in the hospital, or in a nursing home, you'll have one person to contact who understands and makes it easier for you to receive the services you need.

You, your doctors, and others providing your care can work with your care coordinator on your behalf. Whenever you have questions or concerns, or need services, call your care coordinator.

You will be offered a health risk assessment (HRA) within 60 day of enrollment and annually thereafter. We review the HRA and other information to identify your needs. The care coordinator will develop a support plan with you and your interdisciplinary care team.

You can get more information on care coordination services by calling UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

UCare lists the clinic number for our primary care clinics (PCC). To find the PCC number, refer to the field labeled PCC Number.

UCare's provider listings include names and addresses of providers that are part of our network.

You will find the following words in our provider listings to help you determine if this provider:

- Provides accommodations for people with disabilities
- Completed cultural competency training
- Accepts new patients

An explanation of these terms is as follows:

### ADA Accessibility

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. This includes taking steps to ensure that persons with disabilities have equal access to their goods and services. For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so.

UCare's provider listings include whether an office is ADA compliant by confirming if the provider has 1) accessible offices, 2) accessible equipment and 3) accessible exam rooms.

Our response includes:

YES – The provider is ADA compliant for accessible offices, equipment or exam rooms.

NO – The provider is not ADA compliant.

If the answer is left blank, the information is unknown.

## **Cultural Capabilities**

Cultural capabilities include cultural awareness, cultural safety, and cultural competence offered by health care providers to better adapt and serve members' backgrounds, values, and beliefs to meet their social, cultural, and language needs.

If the answer is left blank, the information is unknown

NO – The provider is not accepting new patients.

If the answer is left blank, the information is unknown.

## **Accepting New Patients**

UCare's provider listings include whether the provider is accepting new patients as of this directory's date.

Our response includes:

YES – The provider is accepting new patients.

This list includes all providers within 30 miles of our service area. You can get updated information about providers in this list by using the Search Network feature on [ucare.org/searchnetwork](http://ucare.org/searchnetwork) or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.
