Cultural Competency

Training: As a small private psychotherapy practice (no staff beyond ourselves) we each take responsibility for our own professional development and continuing education, and these would be the vehicles of ongoing training for each of us. Issues related to cultural congruence are particular topics of conversation among us during regular clinical consultation.
Cultural Capabilities/ Specialties: All clinicians have training and ongoing professional development goals related to continued growth and awareness in the realm of cultural congruence.

Cultural Competency

Training: We are a diverse group of professionals who come from different cultural backgrounds. Because of this, we have natural cultural congruence and the ability to identify with the population that we work with.

Cultural Capabilities/Specialities: We are culturally competent and we work with marginalized communities (BIPOC).
