American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to go to your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook* carefully to find out what is covered.

Introduction

At UCare, we make it easy to access the services you need when you need them. This *Provider and Pharmacy Directory* lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors (for members under age 21), vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously

authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

Please refer to your *Member Handbook* for details about covered services and the services that require authorizations.

UCare uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on **ucare.org/searchnetwork** or call

Customer Services at **612-676-3395 or 1-877-903-0061 (this call is free)**. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

UCare contracts with DentaQuest to manage your dental benefits. For more information on UCare's dental services, you can go online to **ucare.org/dental**, or call the UCare Dental Connection at **1-888-227-3310 (this call is free)** from 8 am – 5 pm, Monday – Friday. TTY users can call **1-800-466-7566**. The UCare Dental Connection can help you find a DentaQuest provider; schedule dental appointments, including appointments for follow-up and specialty care; coordinate transportation to dental appointments; coordinate interpreter services for dental appointments; and answer dental benefit and claims questions.

In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room. In other cases, call your primary care doctor's office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7 Nurse Line at the number on the back of your Member ID card. The UCare 24/7 Nurse Line is answered by nurses 24 hours a day, seven days a week.

You must call UCare's Customer Service Department at **612-676-3395 or 1-877-903-0061 (this call is free)** within 48 hours, or as soon as you are able, if you are admitted to an out-of-network hospital. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

We do not cover Personal Care Assistant (PCA) or Home Care Nursing services for UCare Connect (SNBC) members, but you may be able to get them through your county. Call your county to apply for these services.

We do not cover **Home and Community-Based Services** for people with disabilities, but you may be eligible to get them through your county. Call your

county to apply for waiver services under the Community Alternatives for Disabled Individuals (CADI), Brain Injury (BI), Community Alternative Care (CAC), or Developmental Disability (DD) waiver programs. These waiver programs offer more services than regular Medical Assistance. Services include extended home care, assisted living, supported employment, and more.

Transportation providers also are not listed in this directory. Fairview Specialty Pharmacy is the exclusive provider of specialty medications for UCare members. Specialty drugs are injectable or oral drugs used to treat certain diseases that require complex therapies. These drugs often require special handling or monitoring by a pharmacist or nurse. Your drug and any supplies you need will be shipped to your home, work or doctor's office. If you use a specialty drug, you or your doctor must contact Fairview Specialty Pharmacy at 612-672-5260 or 1-800-595-7140 (this call is free). TTY call 711 and ask for 1-800-595-7140 (this call is free).

Enrollees with Medicare must use a Medicare Part D prescription drug plan for Part D covered drugs.

Contact your Medicare Part D prescription drug plan if you have questions about how to access Part D drugs. For members of Families and Children,

MinnesotaCare and Minnesota Senior Care Plus who are eligible for Medicare, UCare only covers Medical Assistance (Medicaid)-covered drugs on our formulary not covered by Medicare.

Important Information

Care Coordination

Upon enrollment, all members are assigned to a care coordinator. Your care coordinator will help you understand your benefits.

Whether you live in the community, in the hospital, or in a nursing home, you'll have one person to contact who understands and makes it easier for you to receive the services you need.

You, your doctors, and others providing your care can work with your care coordinator on your behalf. Whenever you have questions or concerns, or need services, call your care coordinator.

You will be offered a health risk assessment (HRA) within 60 day of enrollment and annually thereafter. We review the HRA and other information to identify your needs. The care coordinator will develop a support plan with you and your interdisciplinary care team.

You can get more information on care coordination services by calling UCare Customer Service at **612-676-3395 or 1-877-903-0061 (this call is free)**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 (this call is free)**.

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost-sharing amount directly to your pharmacy or health care provider. You can get a *Member Handbook* with more information about cost sharing.

For Medical Assistance: **you do not have cost sharing for medical or pharmacy services covered under Medical Assistance.**

Recuperative Care

Recuperative care services are available to UCare members experiencing homelessness to help prevent hospitalizations; or provide medical care and support services for members unable to recover from a physical illness when living in a shelter or are otherwise unhoused. UCare members receive recuperative care services when they don't need to be hospitalized or remain hospitalized, or don't meet severity of illness for other levels of care.

A UCare member must have a referral for recuperative care services from a hospital or clinic.

To be eligible for recuperative care services, a UCare member must meet all the following criteria.

- 21 years or older if they have Medical Assistance, or 19 years or older if they have MinnesotaCare.
- Experiencing homelessness or are unhoused.
- In need of short-term medical care for fewer than 60 days.
- In need of assistance with the following covered services.
 - Covered Services
 - Facilities and providers must ensure they are providing services only within their scope of practice
 - Basic nursing care including monitoring physical health and pain level
 - Wound care
 - Medication support
 - Patient education
 - Immunization review and update
 - Clinical goals development for the recuperative care period and discharge plan
 - Care coordination including initial assessment of medical, behavioral and social needs
 - Care plan development
 - Support and referral assistance for legal, housing, transportation, case management and community social services
 - Support and referral assistance for health care benefits, health and other eligible benefits
 - Care plan implementation follow-up and monitoring
 - Medical, social and behavioral (counseling and peer support) services that can be provided in the Recuperative care setting
 - Community health worker services (Minnesota Statutes, 256B.0625, 43.25 subdivision 49. 43.26)

Recuperative care providers are not listed in this directory. Visit <https://mhcpproviderdirectory.dhs.state.mn.us> or

MinnesotaHelp.info for a more comprehensive list. If you have additional questions, call Customer Services at the phone number listed on the front cover of this book.

You will get a health plan Member Identification (ID) Card. You must show this card whenever you get health care services, including when you get a prescription filled. New members will get their Member Identification (ID) Card in the mail within 15 days of enrollment.

Key to Using UCare's Provider Listings

This network listing key will help you understand the information included under each provider listing. We strive to have the most up to date and comprehensive information about each provider available to members. If any fields are blank within a listing, this means we did not have that information available when this Provider Directory was published. The listings will include:

UCare lists the clinic number for our primary care clinics (PCC). To find the PCC number, refer to the field labeled PCC Number.

UCare's provider listings include names and addresses of providers that are part of our network. You will find the following words in our provider listings to help you determine if this provider:

- Provides accommodations for people with disabilities
- Completed cultural competency training
- Accepts new patients

An explanation of these terms is as follows:

ADA Accessibility

The Americans with Disabilities Act (ADA) requires that people with disabilities have equal access to services. This includes taking steps to ensure that persons with disabilities have equal access to their goods and services. For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so.

UCare's provider listings include whether an office is ADA compliant by confirming if the provider has 1) accessible offices, 2) accessible equipment and 3) accessible exam rooms.

Our response includes:

YES – The provider is ADA compliant for accessible offices, equipment or exam rooms.

NO – The provider is not ADA compliant.

If the answer is left blank, the information is unknown.

Cultural Capabilities

Cultural capabilities include cultural awareness, cultural safety, and cultural competence offered by health care providers to better adapt and serve members' backgrounds, values, and beliefs to meet their social, cultural, and language needs.

If the answer is left blank, the information is unknown

NO – The provider is not accepting new patients.

If the answer is left blank, the information is unknown.

Accepting New Patients

UCare's provider listings include whether the provider is accepting new patients as of this directory's date.

Our response includes:

YES – The provider is accepting new patients.

This list includes all providers within 30 miles of our service area. You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling UCare Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling UCare Customer Service at the numbers listed on the front cover.
