Introduction

The provider network for UCare Individual & Family Plans with M Health Fairview is the Fairview Health Network. This directory provides a list of Fairview Health Network providers and pharmacies.

The information in this directory is current as of 03/16/2026. To see the most current information about network providers, visit ucare.org/searchnetwork. You can also call the provider or clinic directly, or call Customer Service at **612-676-6609** or **1-877-903-0069 (this call is free)**, 8 am – 6 pm, Monday – Friday. TTY: **612-676-6810** or **1-800-688-2534 (this call is free)**.

Using Your Plan's Network

You may go to any of our network providers listed in this directory. To get the highest level of benefits for covered services, you should receive those services from an in-network provider.

In some cases, you may get covered services from non-network providers. If you receive services from a non-network provider, you may pay more.

All plan networks consist of primary care physicians, hospitals and a full range of specialists. When developing a network, UCare considers the location of the providers and hospitals in relation to where our members live. We want you to have access to all types of network providers within a reasonable distance. Adding a clinic or hospital to the network is based on plan design and the ability to provide care to members.

Telehealth/Telemedicine

UCare covers interactive, real-time virtual visits that allow providers to evaluate, diagnose and treat you without an in-person office visit. Telehealth visits require an appointment. They are often used for follow-up visits, to manage chronic conditions and medications, to consult with specialists, and other clinical services. Office visit cost-sharing applies to telehealth/telemedicine.

Cost Sharing

You may have to pay an amount toward your health care services. This is called cost sharing. Examples of cost sharing are copayments, coinsurance and deductibles for certain services. You are responsible for paying your cost sharing amount to your provider.

Authorization and Notification

Some covered services and drugs require prior authorization (approval) or notification before you receive the service. You and your provider are responsible for obtaining authorization or notifying UCare when required. To learn more, see your *Member Contract*.

Member Contract

For detailed information about covered health care services, cost sharing and more, see your *Member Contract*. It also explains your rights and responsibilities as a UCare member.

Member Identification (ID) Cards

Members get a health plan member ID card. Show your card whenever you receive covered services, including prescription drugs.

24/7 Nurse Line

The 24/7 Nurse Line gives you access to medical and health information 24 hours a day, 7 days a week, including weekends and holidays. This telephone service is available at no additional cost to members. Call toll-free 1-855-324-7843 (this call is free) or TTY 1-800-688-2534 (this call is free).

Mental Health and Substance Use Disorder Services

For questions about mental health or substance use disorder services call **612-676-6533** or **1-833-276-1185 (this call is free)**.

Lactation Counseling

If you need lactation counseling, contact your Primary Care Clinic or an in-network hospital to coordinate those services for you.

Questions? Call Customer Service

If you have questions about the information and providers in this directory, call Customer Service at **612-676-6609 or 1-877-903-0069 (this call is free)**, 8 am – 6 pm, Monday – Friday. TTY: **612-676-6810 or 1-800-688-2534 (this call is free)**. Or, visit **ucare.org**.
