You can get updated information about providers in this list by using the Search Network feature on ucare.org/searchnetwork or, for a printed copy, calling Customer Service at the numbers listed on the front cover. You can also get information on specialists not listed in this booklet by calling Customer Service at the numbers listed on the front cover.

The Visiting Clinic Team provides primary health care services in the residential care setting which includes assisted living, skilled nursing facilities and group homes. Services include, for example, preventive care; medication management; evaluation, diagnosis, and treatment; and chronic disease management. Visiting Clinic Teams may refer patients to specialty and other health care providers in the network when such services are not available at the members' residences. Please contact the specific Visiting Clinic Team to determine if they provide services at your residential care site before choosing this provider as your primary care clinic.
