B. Background Information about UCare Connect + Medicare's Network Providers

B1. Key terms

Care coordinators supporting UCare Connect + Medicare members complete a support plan with the member in conjunction with the health risk assessment. The support plan, or a summary letter of the support plan is provided to the primary care provider to promote communication and coordination between members of the interdisciplinary care team serving the member.

This section explains key terms in our *Directory*.

- **Providers** are professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, prescription drugs, equipment and other services.
 - The term **providers** also includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a doctor (or other health care professional), medical group or hospital (or other health care facility) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You will also be assigned a care coordinator. A care coordinator is available to complete a health risk assessment with you within the first 60 days of your enrollment and annually thereafter. The health risk assessment identifies your specific health care needs and individuals who are a part of your care team. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
 - A **care coordinator** that helps you manage your medical providers and services. A care coordinator is available to assist you managing your health care needs. They may be able to assist your with setting up appointments with providers, arranging transportation, refilling medication, arranging for additional services at home or in

the community, and as a main point of contact at UCare.

- Your **Primary Care Provider**
 - County waiver case managers
 - transportation providers
 - community resource/service providers
 - and anyone else you want as a part of your care team
- Your Care Team will also help you find other medical, behavioral health or specialist if you need a specialist or other health care provider. A care coordinator can help make referrals for you to be assessed for LTSS. That way, you will get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediate for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers in Section C and choose a provider:

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get

to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UCare Connect + Medicare gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You only need to change your PCP if you are changing your Primary Care Clinic (PCC). To change your Primary Care Provider, talk to your Navigator.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Customer Service if you are using a specialist or getting other covered services that require PCP approval. Customer Service will help make sure that you can continue your specialty care and other services when you change your PCP.

- **Support Providers** including Home Health, home-based therapy and Durable Medical Equipment

To find network providers, go to the Table of Contents. You can search according to the type of provider you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, etc. Providers are listed alphabetically by state, county and city. In addition to contact information, provider listings also include specialties and skills, such as language spoken or completion of cultural competence training.

You can also use the online search network tool at ucare.org/searchnetwork.

- At the top of the page, select People, Places or Pharmacies, depending on if you are looking for a provider, clinic or pharmacy.

- Select your plan
- Enter the name, if you are looking for a specific provider or location. Enter just the first few letters if you are unsure of the spelling.
- Enter your location
- Select Search

If you have questions about UCare Connect + Medicare plan or need help, please call Customer Service at the number at the bottom of this page.

To get the most up-to-date information about UCare Connect + Medicare network providers in your area, visit ucare.org/searchnetwork to search for providers near you or call Customer Service at the number at the bottom of this page.

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

You may get services from any of the providers on this list.

? If you have questions, please call UCare Connect + Medicare (HMO D-SNP) Customer Service at 612-676-3310 or 1-855-260-9707 (this call is free), TTY 612-676-6810 or 1-800-688-2534 (this call is free), 8 am – 8 pm, seven days a week. The call is free. **For more information, visit ucare.org.**
