

Earn a \$30 reward

Diabetes dilated or retinal eye exam

Complete an eye exam and earn a \$30 reward.

Diabetes is a disease that can impact many areas of your body, including your eyes. It increases your risk for eye conditions, such as glaucoma and cataracts. Diabetes can also damage the blood vessels in your eyes, and even lead to vision loss. That's why it's important to maintain safe blood sugar levels and have your eyes checked every year. You should also have a blood glucose (A1C) and urine protein test. These tests help your doctor detect signs of damage to your heart, blood vessels, nervous system or kidneys.

Find out what other rewards you may be eligible for — sign in or create an online member account at member.ucare.org. Once you're signed in, go to Health & Wellness, then Wellness, Rewards & Allowance. For more information, call the customer service number on the back of your EssentiaCare member ID card.
