

## UCare Medicare Supplement Basic Preventive Medical Care Rider

Keep this Rider with your UCare Medicare Supplement Basic Policy.

The following is added to Section II BENEFITS, C. MEDICARE PART B SUPPLEMENTAL BENEFITS:

### 2. Preventive Medical Care

We will pay benefits for preventive medical care for the following preventive health services not covered by Medicare: (1) an annual clinical preventive medical history and physical examination that may include tests and services from item (2) and patient education to address preventive health care measures; and (2) preventive screening tests or preventive services, the selection and frequency of which is determined to be medically appropriate by the attending physician.

Reimbursement shall be for the actual charges up to 100% of the Medicare-approved amount for each service, as if Medicare were to cover the service as identified in American Medical Association current procedural terminology (AMA CPT) codes, up to a maximum of \$120 annually under this benefit. This benefit shall not include payment for a procedure covered by Medicare.

The coverage provided by this rider is subject to the conditions and limitations set forth in the policy. This rider does not change, alter or amend any of the other provisions or limitations of the policy. All other terms, provisions and conditions of the entire policy remain unchanged except as stated above.

IN WITNESS WHEREOF, UCare has executed this rider.
