Section 1 - Introduction

This directory provides a list of UCare Advocate Plans network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Clinic (PCC)**. That provider should be a member of the UCare Advocate Plans' participating (partner/preferred) primary care system that provides care where you live. Generally, you should get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You can get all covered services on your own, without a referral. If you have been going to one network provider, you are not required to continue going to that same provider.

Sometimes, even network doctors are not aware that they should send you to a network hospital for inpatient care. If you need to go to a hospital, work closely with your doctor to choose the most appropriate facility for your needs from the hospitals in the UCare Advocate Plans network.

Your care coordinator can also help you get care from different kinds of providers, (including out-of-network providers or pharmacies).

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor UCare will be responsible for the costs.

In cases where you receive a bill from an out-of-network provider, you should **not** pay the bill. Send us the bill, along with documentation of any payments you have made.

What is the service area for UCare Advocate Plans?

The counties in our service area are listed below.

Anoka, Benton, Blue Earth, Carver, Chisago, Dakota, Douglas, Freeborn, Hennepin, Hubbard, Isanti, Mille Lacs, Morrison, Otter Tail, Pope,

- If the provider is owed anything, we will pay the provider directly.
- If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost.

Mail your request for payment together with any bills or receipts to us at this address:

Attn: DMR Department
UCare Advocate Plans
PO Box 52
Minneapolis, MN 55440-0052

Emergency and Urgently Needed Care/Renal Dialysis

Please note: Emergency care, urgently need care, and out-of-service-area renal (kidney) dialysis are required under the Medicare program to be covered at in-network cost sharing for both in-network and out-of-network providers.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When you are out of the service area and cannot get care from a network provider, we will cover urgently needed care that you get from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

You can go outside the network for other non-emergency services, if UCare gives you permission first. Work with your care coordinator for help in requesting permission.

Ramsey, Rice, Scott, Sherburne, Stearns, Washington, and Wright counties in Minnesota.

How do you find UCare Advocate Plans providers that serve your area?

To find network providers, go to the Table of Contents. You can search according to the type of providers you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, etc. Providers are listed alphabetically by state, county and city.

You can also use the online search network tool at ucare.org/searchnetwork.

- At the top of the page, select People, Places or Pharmacies, depending on if you are looking for a provider, clinic or pharmacy.
- Select your plan
- Enter the name, if you are looking for a specific provider or location. Enter just the first few letters if you are unsure of the spelling.

- Select Search

The dental care network providers listed are those within the UCare Advocate Plans service area and neighboring counties, although the entire DentaQuest Network is available to members.

UCare Advocate Plans uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature

UCare Advocate Plans Network Pharmacies

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under UCare Advocate Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

on ucare.org/searchnetwork or calling the Mental Health & Substance Use Disorder Triage Line at **612-676-6533 or 1-833-276-1185 (this call is free)**. After hours and on weekends, member calls will be answered by the UCare Advocate Plans 24/7 nurse line.

The chiropractic care network providers listed are those within the UCare Advocate Plans service area and neighboring counties, but the entire network, also known as ChiroCare and administered by Fulcrum Health, Inc., is available to members.

If you have questions about UCare Advocate Plans or require assistance in selecting a PCC, please call Customer Service at **612-676-3600 or 1-877-523-1515 (this call is free)**, 8 am – 8 pm, seven days a week. TTY users should call **612-676-6810 or 1-800-688-2534 (this call is free)**. You can also visit ucare.org.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/22/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Costco Mail Order Pharmacy. For

more information, please contact us or see the mail order pharmacy section of this directory.

We also list pharmacies that are in our network but are outside the service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the pharmacy sections in this directory or contact Customer Service.

Online Care and E-visits

In addition to in-person doctor's office visits at a UCare network provider, you also have access to E-visits to receive online diagnosis and treatment for minor conditions with \$0 copayment. These services are available 24 hours a day, seven days a week,

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact UCare Advocate Plans Customer Service.
