

CORRECTION: Coding Changes for Adults and Children’s Mental Health Crisis Response Services for UCare State Public Programs Products

The October *Health Lines* informed providers that effective Nov. 1, 2019, UCare will require the services previously submitted with HCPCS S9484 to be submitted using HCPCS code H2011. There was an error in the billing grid that was included in the article. Community intervention services should still be submitted using HCPCS code 90882. The corrected billing grid is listed below and has been changed in the online version of the [October Health Lines](#).

We apologize for any inconvenience this error may have caused.
