Updated 2022 Medical Services Authorization and Notification Grids

UCare has reviewed the 2022 CPT and HCPC code changes as they pertain to our authorization grids for all UCare products. The following areas have been updated on the grids. Included in those changes, codes for Wheelchair Accessories Rental and Purchase were added.

Effective Jan. 1, 2022

- Cranial Nerve Stimulation: Code 0466T was retired and replaced with code 64582.
- Genetic Testing: Code 81523 was added.

Effective Feb. 15, 2022

- Wheelchair Accessories Rental and Purchase:
 - All Grids:
 - Added K0108 if over \$1,000 per item.
 - State Public Program and Dual (SNP) Grids:
 - Added codes E2310, E2311, E2312, as these items have a purchase amount of more than \$1,000 per item.
 - Removed code E2323, as this item is less than \$1,000 to purchase or rent.

The 2022 medical services authorization and notification grids are available at www.ucare.org/providers on the [Authorization](#) page.
