Information about Personal Care Assistance (PCA) services and Community First Support and Services (CFSS) enhanced rate

UCare follows the Minnesota Department of Human Services (DHS) guidance for PCA and CFSS enhanced rate.

Enhanced rate reminders

- If a member is eligible for the enhanced rate, UCare authorizes PCA or CFSS services at the enhanced rate.
- When submitting claims for services for members eligible for the enhanced rate, providers should bill UCare using:
 - The TG modifier
 - The enhanced rate
- If the PCA or CFSS worker who delivered the services completed qualifying trainings, UCare reimburses the PCA or CFSS agency at the enhanced rate.*
- If the PCA or CFSS worker did not complete the qualifying trainings, UCare will pay the claim at the regular PCA or CFSS rate.*

More information

Additional information is available on the [DHS website](#).

**UCare confirms qualifying training using the DHS PECD file.*
