Changes in Diabetic Testing Supply Coverage

Accu-Chek Guide meter and test strips have been added to the formulary for Aspirus Health Plan Medicare Advantage Plans.

In light of recent news regarding LifeScan and the potential for supply disruptions of OneTouch products, Aspirus Health Plan will cover 100% of the cost for the Accu-Chek Guide meter, and the test strips may offer additional savings for members with cost-sharing.

To ensure members have access to testing supplies, providers may want to consider prescribing Accu-Chek Guide meter and test strips.
