Common carrier coding update

Effective June 1, 2025, UCare will retire the use of Service Code T2003 for Employed Common Carrier Pick Up and will require providers to use Service Code A0100 instead. The [UCare Provider Manual](#) will be updated to reflect this change. Failure to submit the updated procedure code may result in claim denials.

	NEMT level	Service		Service codes		
Retired coding	NEMT Mode 3	Employed common carrier (unassisted transport)	Pick up	T2003	Mileage	S0215
Updated coding (effective June 1, 2025)	NEMT Mode 3	Employed common carrier (unassisted transport)	Pick up	A0100	Mileage	S0215
