UCare Rehabilitation website introduced

On Dec. 17, 2025, UCare Minnesota was placed into Rehabilitation by order of the District Court, Second Judicial District, County of Ramsey. UCare Minnesota will continue under state regulatory supervision (Rehabilitation) to wind down its operations.

A website has been created for the Rehabilitation at <https://ucare-inreceivership.com/>. It addresses claims for dates of service on or before Dec. 31, 2025, that are subject to the Rehabilitation. The website will be updated regularly and will:

- Address frequently asked questions.
- Provide access to documents publicly available during the Rehabilitation.
- Announce any material occurrence or changes to the status of the Rehabilitation or to guidance provided by the Rehabilitator.

Providers are encouraged to bookmark this page and visit it regularly for the latest information.
