

For community education classes beginning on or after October 1st, 2019 Eleyo will send your UCare Community Education Discount invoice to UCare weekly on your behalf. You will no longer have to manually fax or mail us your invoices.

- When entering or approving a UCare member for a community education class in Eleyo,
 - Select “Yes” for Organizational Discount.
 - Select “UCare discount up to \$15.00” from the Organization drop down menu.

- Selecting these items ensures these individuals will show up on the weekly invoice that Eleyo sends to UCare.

This new process streamlines invoicing, but does not eliminate the need to call to check a member's eligibility the month the class takes place. Weekly invoices from this new feature with Eleyo will allow for timelier payment to your program. Your program will still receive member reimbursement confirmation or denial with your payment from UCare.
