Benefit Details		MSC+	Eligibility / How to Obtain Member / Care Coordinator
	<p>Pharmacy Quality Team Services</p> <p>MTM Services: Specially trained in-network pharmacists will review members' medications to ensure they are safe, effective, affordable, and easy to use. Internal Pharmacist resources are no longer available. Medication Therapy Management (MTM) is especially helpful if a member has multiple chronic health conditions, takes several medications multiple times per day, has high prescription costs or multiple prescribers.</p> <p>MSC+ members with non-integrated Medicare need to access MTM services through their Medicare provider. A comprehensive medication review is completed when a member is referred for either MTM or following a transition.</p>	✓	<p>Medication Therapy Management (MTM) Services</p> <p>Care Coordinator: Please either refer members to their health system or community pharmacy or reach out to the health system MTM External Contact list directly for connecting members to pharmacist resources. .</p> <p>Members may self-refer outside of a CC referral by asking their health system provider or community pharmacy to see if they offer MTM or pharmacist resources available.</p> <p>For questions, please reach out to customer service.</p>
In Lieu of Services (ILOS)	<p>In lieu of services are interventions that would support seniors who are not eligible for Elderly Waiver (EW) or who are pending a waiver assessment and benefit from waiver services to avert future health care costs. ILOS supports seniors to live as independently as possible in community settings, achieve health outcomes, safety and community integration. Services offered would be in lieu of preventable ER, avoidable inpatient care, and more acute services/drugs used as a result of the enrollee facing barriers to safe, healthy independent</p>	✓	<p>Care Coordinator: <a href="#">ILOS Job aid</a></p> <p>Request using <a href="#">ILOS Request Form</a> and submit to <a href="mailto:CareCoordinationReviews@ucare.org">CareCoordinationReviews@ucare.org</a>.</p>
