## The smart, simple, and safe way to connect seniors with family, friends, and carers.

GrandPad comes preloaded with every feature older adults need to stay connected to their loved ones without the difficult and distracting features of other tablets.

All points of frustration removed to enable older adults to:

- Make voice and video calls to anywhere in the world
- Enjoy connecting multiple family and carer contacts on a multi-party Zoom video call
- Share photos and videos with family and friends

### More than a product—it's a service!

GrandPad, Charger, Case, and Apps

Secure Multi-party Zoom Video Calls

Secure from Scams & Spam

Dedicated Local Individual Support

### A personal network for family and friends.

- Setup a private personal network
- Safely share photos, videos and comments
- Memories are preserved and easily accessed
- Connect to family and friends using the GrandPad companion app for Android and iOS
