<b>In Lieu of Services (ILOS)</b>	<p>In lieu of services are interventions that would support seniors who are not eligible for Elderly Waiver (EW) or who are pending a waiver assessment and benefit from waiver services to avert future health care costs. ILOS supports seniors to live as independently as possible in community settings, achieve health outcomes, safety and community integration. Services offered would be in lieu of preventable ER, avoidable inpatient care, and more acute services/drugs used as a result of the enrollee facing barriers to safe, healthy independent living and community integration that can be addressed with home and community-based services.</p> <p>ILOS services UCare includes are:</p> <ul style="list-style-type: none"> <li>• Homemaking</li> <li>• Respite out of home or hospital</li> <li>• ICLS</li> <li>• Chore Service</li> <li>• Specialized Equipment &amp; Supplies (one-time purchase)</li> </ul>	✓	✓	<p><b>Care Coordinator:</b>  <a href="#">ILOS Job aid</a></p> <p>Request using <a href="#">ILOS Request Form</a> and submit to <a href="mailto:CareCoordinationReviews@ucare.org">CareCoordinationReviews@ucare.org</a>.</p>
