## Section 1 - Introduction

---

This directory provides a list of Aspirus Health Plan Medicare Advantage network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Clinic (PCC)**. The term “PCC” will be used throughout this directory. Generally, you must get your health care services from your PCC. You can see any Primary Care Physician (PCP) at your clinic.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You can receive all covered services on your own, without a referral. If you have been receiving services from one network provider, you are not required to continue receiving services from that same provider.

As a member of our plan, you can choose to receive care from out-of-network Medicare providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and are medically necessary. You may also refer to your *Evidence of Coverage (EOC)* for more information, including the cost sharing that applies to out-of-network services.

With the exception of emergencies, urgent care, out-of-area renal (kidney) dialysis, or some other services, your share of the cost for covered services may be higher when you use an out-of-network providers.

When you receive needed care from a provider who is not part of the plan network, you are only responsible for paying your share of the cost, not for the entire cost.

- If you pay the entire amount yourself at the time you receive care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from a provider asking for payment that you think you do not owe. Send

us this bill, along with documentation of any payments you have already made.

- If the provider is owed anything, we will pay the provider directly.
- If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost.

- Mail your request for payment together with any bills or receipts to us at the Direct Member Reimbursement (DMR) address:

**Attn: DMR Department**  
**Aspirus Health Plan**  
PO Box 22  
Minneapolis, MN 55440-9975

### **Emergency and Urgently Needed Care/Renal Dialysis**

**Please note:** Emergency care, urgently need care, and out-of-service-area renal (kidney) dialysis are required under the Medicare program to be covered at in-network cost sharing for both in-network and out-of-network providers.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When you are out of the service area and cannot get care from a network provider, we will cover urgently needed care that you receive from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. Aspirus Health Plan Medicare Advantage provides worldwide emergency and urgently needed care coverage with copays.

## Aspirus Health Plan Medicare Advantage Network Pharmacies

---

This booklet provides a list of Aspirus Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Aspirus Health Plan's formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Aspirus Health Plan Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy

service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer

pharmacies in our network that are not listed. This list is current as of March 16, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Costco Mail Order Pharmacy. For more information, please contact us or see the mail order pharmacy section of this directory.

We also list pharmacies that are in our network but are outside the service area, the area in which you
